## **WELCOME TO JUST OFF BROADWAY**

### **Dance Masters Certified Studio**

At Just Off Broadway, we strive to educate our students in the elements of dance and theatre. We have developed two programs for our students; one for the dancer who wants to gain poise, coordination, rhythm, and confidence which will help them later in life for cheerleading, dance team, etc., and another for the serious dancer who wants sound technical training and performance opportunities to become a professional dancer, teacher, or enter a related career.

### **Dancer Placement Schedule**

Each child is placed in a class according to age, ability, and training. Teachers determine the levels for all students. The placement begins at the pre-level and increases to Level X. All new students need to set up an interview to be placed in the correct class for their ability.

### **New Student Plan**

Any student who refers a new student will receive a \$50.00 credit to their account (siblings excluded). See Studio Policies for more details. This is just one way we like to thank you for your continual support of JOB.

### **Performance Teams**

A group of young dancers who compete and perform in Cincinnati, Columbus, Dayton, Indianapolis, and Louisville. Auditions are held each spring/fall for this team. Informational packets are available at the studio.
