WELCOME TO JUST OFF BROADWAY

Dance Masters Certified Studio

At Just Off Broadway, we aim to educate our students in the elements of dance and theatre. We have developed two programs. One for the dancer who wants to enjoy the art of dance while gaining poise, coordination, rhythm, and confidence which could prepare them for cheerleading, dance team, etc. The second for the more serious dancer striving for sound technical training, more performance opportunities, and the tools to become a professional.

Dancer Placement Schedule

Each child is placed in a class according to age, ability, and training. Teachers determine the levels for all students. The placement begins with pre-level and increases to Level X.

Referral Plan

Any student who refers a new student will receive a \$50.00 credit to their account (siblings excluded). See Studio Policies for more details. This is our way of thanking you for your continued support of JOB.
