

PARENT/TEACHER CONFERENCES

In order to develop a stronger dance program, JOB has restructured our curriculum for each level and formulated test steps that each level must complete before a student progresses to the next level. Over the last six weeks each class has begun to learn half of the test steps which they will be asked to perform mid-November. In order to better communicate your dancers progress in class, JOB feels conferences will be the per-

fect opportunity for teachers and parents to discuss their development. Each teacher will set days and times for parents to sign-up at the studio before the winter break. We look forward to speaking to you about your child and his or her development in dance. If you have any questions, please contact Judy Schwing or Dawn Meyer at the studio or email us at dmsdjob@fuse.net.

IMPACT 2010

Just Off Broadway's Charity Benefit, *IMPACT 2010*, will tentatively be held on Saturday, February 6th at Clermont College. Our Performance Team and soloists will be providing an evening of entertainment. The benefit performance is

open to the public. Admission is \$2.00 a person or \$10 an family including grandparents) and a donation to the YWCA Emergency Food Pantry or Adventures for Wish Kids with a monetary or nonperishable food donation.

DROP/ADD FORMS

When a child drops a class, adds a class, or changes classes, parents are asked to complete a Drop/Add form. Drop/Add forms are available at the desk. Completing this form will help us maintain accurate class records and will prevent inaccurate billing.

BRING A FRIEND WEEK!!! - Next week is bring a friend to dance week for selected classes. This is a great opportunity for friends to enjoy a night of dance together free of charge. Please take home a waiver of liability this week if you plan on bringing a friend next week. We can't wait to have a fun week with JOB dance friends!!!
