

PARENT/TEACHER CONFERENCES

In order to develop a stronger dance program, JOB has restructured our curriculum for each level and formulated test steps that each level must complete before a student progresses to the next level. Over the last six weeks each class has begun to learn half of the test steps which they will be asked to perform mid-November. In order to better communicate your dancers progress in class, JOB feels conferences will be the per-

fect opportunity for teachers and parents to discuss their development. Each teacher will set days and times for parents to sign-up at the studio before the winter break. We look forward to speaking to you about your child and his or her development in dance. If you have any questions, please contact Judy Schwing or Dawn Meyer at the studio or email us at dmsdjob@fuse.net.

IMPACT 2009

Just Off Broadway's Charity Benefit, *IMPACT 2009*, will be held on Saturday, January 10th at Clermont College. Our Performance Team and soloists will be providing an evening of entertainment. The benefit performance is open to the

public. Come support the YWCA Emergency Food Pantry & Adventures for Wish Kids with a monetary or nonperishable food donation. Bring your dancer out to Clermont College for a wonderful evening of dancing.

DROP/ADD FORMS

When a child drops a class, adds a class, or changes classes, parents are asked to complete a Drop/Add form. Drop/Add forms are available at the desk. Completing this form will help us maintain accurate class records and will prevent inaccurate billing.

As we continue our effort to drag ourselves into the 21st century, we are asking anyone who has not yet responded to our request to receive statements/newsletters electronically to drop a note with your current email address. As always please visit our website often at Justoffbroadway.net.
