WELCOME BACK STUDENTS!!

It is time again to start the dance year at JOB. We hope everyone enjoyed a fun-filled, yet relaxing summer. As we begin classes, JOB wants to ensure the best education for your son or daughter. To meet the educational needs of our dancers, many changes to the schedule have occurred and may continue to do so over the next few weeks. We apologize for any inconvenience this has caused you as we begin the dance year, but we know it is in the best interest of your child.

Introduction letters have been handed out in your son's or daughter's class highlighting procedures, what to bring/wear and goals for the specific class. If you have any questions about your child's class, please take the opportunity to talk to the teacher so you understand the curriculum and what is expected from your child in class at JOB. All dancers should bring a labeled water bottle to class and have the necessary shoes for each class. If you are unsure of what shoes are needed please check our studio policies or ask your child's teacher. Label all items that are brought into the studio (dance bags, shoes, coats, etc.) Each year we donate hundreds of dollars worth of clothes/shoes to Good Will due to our students not claiming items left at the studio.
