

PERFORMANCE TEAM AUDITION GUIDELINES 2021-2022

The Performance Team is a group of young dancers who demonstrate excellence in dance and performing. There are various levels of the Performance Team that your child can audition for at JOB. Each level will have different training requirements and time commitments. Please read the following pages carefully to understand the difference. In general the more training a student receives the stronger dancer they will become. Ballet is the basis for all dance; the more ballet a student takes, the stronger overall dancer the team member will become.

- Must be self-motivated and passionate about dance
- Must be open-minded and bring positive energy to every class, rehearsal, and performance
- Must believe in yourself and your ability to grow as a dancer
- Must be physically, mentally and spiritually fit
- Must strive to grow in strength, technique, and performance
- Must demonstrate respect for the teachers, staff and fellow teammates
- Must have a supportive family for our studio, our staff and our team

Being a part of the JOB Performance Team takes a joint effort from parents, students and teachers to make a healthy situation. Parents must realize his or her child's dancing talents and put them in the correct perspective. Together as a team, we can strengthen your child's dancing ability and confidence to make him or her the best performer possible. Yearly parent/teacher conferences are highly recommended for all team members to discuss progress, set goals and understand the strengths and weaknesses of the dancer and also what classes or extra training is needed to produce the best dancer possible. We feel it is important to understand the commitment required to be a member of the JOB Performance Team *before* auditioning. Being a part of the team can be extremely rewarding if each student and parent understands our guidelines. Please discuss this packet with your daughter or son and if you have any further questions please contact Dawn or Kathy Meyer at the Studio.

DANCER EXPECTATIONS:- Each member should strive to be the best dancer he/she can be. This requires hard work and the willingness to take corrections and have a positive, healthy outlook on his or her strengths and weaknesses.

- Each member should have a dance notebook to record goals, dreams, daily challenges, and achievements.
- Each team member must listen to and respect his/her teachers, fellow students, captains and desk staff.

- When performing in a public place, each team member must be on his/her best behavior and remember he/she is representing Just Off Broadway.
- As a common courtesy we ask all JOB Team Members to notify Dawn & Kathy if they choose to pursue additional education outside of Just Off Broadway.
- Being a team member is a privilege that should not be taken for granted. The students and teacher form a unique family, which builds confidence and betters the child as a dancer. Please consider your loyalty and commitment to the JOB Performance Team before you audition.

COMPETITION EXPECTATIONS:

- Each dancer/parent should understand that a competition is a performance opportunity and just as everyone enjoys different types of movies, judging is much the same. It is a subjective opinion.
- Each dancer should be motivated to perform at a competition without placing their personal worth or progress upon results. We do not foster competition within our studio.
- Each dancer has their own unique talent and at Just Off Broadway, we want to nurture their skills to become a unique voice within the competition performance.

PARENT ROLES:

- Support, motivate, and believe in your dancer's talent.
- Realize that there is always someone better than your child and help your child understand the emotions of winning and losing gracefully.
- Teach your child that competition is an opportunity to perform and get better. No matter what the results, your child is not to begrudge someone else's success. Be happy for them and celebrate his or her moment as you would want them to do the same for you.
- Help all your team members and parents.
- Support and stand firmly behind your teaching staff and studio, especially in front of your child. Avoid speaking negatively about the studio or its staff, which is full of amazing people that love to teach and work with your children.

Parents should discourage negative energy, thoughts, or gossip within the studio family. It does not matter how talented your child is, we are all a part of the JOB family and we work together to create a united team.
