

Welcome to Recital 2023!

It is hard to believe that it has been 40 years. I am so proud of what Just Off Broadway has become.

I have so many fond memories of children walking in the studio for their first “taste of dance” and now so many of them have grown up and have their own children carrying on the tradition. I am so blessed that God has given me the privilege to see these sometimes shy, unsure dancers grow into confident young women and men. It is only through your support and belief in Just Off Broadway that we have become the studio we are today.

I also would like to take the opportunity to thank my teachers and support staff for their continued dedication, making Just Off Broadway a studio filled with success. Thank you teachers for your constant support, energy, and devotion to excellent dance education. The success of our students today is a reflection of your commitment to quality teaching. Congratulations on another fabulous year!

Thank you JOB Desk Staff for all you do to help the studio run smoothly; to Sarah Lankston, Carrie Niemes, Carolyn Springer, and Jen White, please accept my most sincere appreciation. And to Leicia Milano and Judy Schwing, who have been an irreplaceable part of Just Off Broadway for more than a decade.

Thank you to my sister, Kathy Meyer, for coming to Just Off Broadway and being a part of our teaching staff after a long and successful career in professional dance and choreography.

Of course none of this would be possible without the support of my husband, Mike, and my amazing children, Jordan and Grayson. Thank you.

With heartfelt appreciation,

Dawn Meyer

Parents,

You are an instrumental part of any successful dance studio. We thank you for choosing JOB for your child's dance training, bringing them to class each week, and helping them at home. We hope we are not only training your children to become strong technical dancers, but also polite, responsible, and confident young women and men when they graduate.

We wish you a relaxing summer and hope to see you in the Fall!
